

Tiscover Group

Your partner group on the leading travel platform

Tiscover Group

www.tiscover.com – The leading online tourism portal

Tiscover is the marketing partner for tourism businesses and destinations presented on the internet and facilitates traffic, requests and bookings. The www.tiscover.com platform offers you the ideal framework to present your business: a great number of tourist businesses, ranging from single businesses to partner groups and holiday regions, use the portal for targeted marketing.

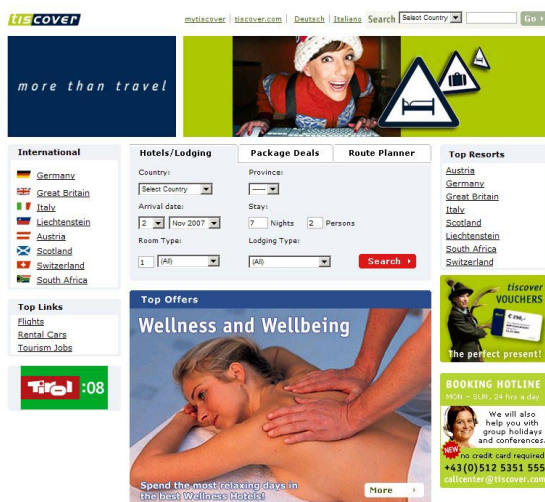

Comprehensive packages – Increase in page views

With 410 million page views in 2007, Tiscover ranks among the most popular tourism portals. The portfolio comprises more than 2,000 regions and 22,000 accommodation businesses. Travel enthusiasts appreciate the great variety of offers: in 2007, more than 1 million bookings and requests were made all over the world.

Benefit from this profitable platform by presenting your business to the whole world on Tiscover!

Strong partnerships for your success

With Tiscover, your business is presented on one of the largest tourism platforms and on a myriad of other large and popular online portals thanks to our numerous co-operations with international partners.

Benefit with Tiscover!

Your advantages

- **Comprehensive presentation and marketing** of your partner group on one of the most popular and most visited travel platforms, 24/7!
- **Maximum presentation - minimum investment:** The websites of all accommodation businesses forming part of the partner group and working with Tiscover are automatically integrated in the group presentation without the need of data updating. This network provides maximum information on your sites to the user for only minimum investment on your part.
- **New guests:** Present your partner group to potential guests on the internet and reach new and interesting target groups.
- **Up-to-date technology:** We constantly improve our online packages in response to the wishes and demands of our clients. All suppliers presented on Tiscover benefit from this strategy.
- **Simple data maintenance:** With the Tiscover Extranet (maintenance tool) you can easily and rapidly edit and update all data, pictures, prices etc. at any time.
- **Layout assistant:** Without the need of a web designer and without additional costs, you can create your individual website (Tiscover XL). This means: you can create your own website in addition to your presentation on Tiscover. Any information and all data of your presentation on Tiscover are automatically copied, also when changing data.
- **Your own website address:** www.tiscover.co.uk/name
- **Tiscover Mobile:** The main content of your Tiscover website can also be retrieved in an adjusted layout on a mobile device (on all new generation mobiles, PDA)
